**Artistic Director**  
**Director of Education**

For graduates of The Certificate Program I or for advanced students, a second sequence of study has been developed as a professional training program leading to **The Advanced Diploma in Isadora Duncan Performance and Choreography**. The program consists of intensive three day courses of concentrated study and practice toward the definition and refinement of original Duncan choreographies for performance and reconstruction. The original Duncan choreographies descend in lineage from Isadora Duncan via the legacies of Maria - Theresa, Anna, Irma and Elizabeth Duncan to Jeanne Bresciani directly from Maria- Theresa Duncan, Hortense Kooluris, Julia Levien and Anita Zahn. Each session will focus on a particular thematic or musical body of master works. Sources and content of the works will be treated. Technical components of the dances will be practiced and mastered. The choreographic constructs of the pieces will be analyzed and executed. Performance aspects of the masterpieces of Duncan choreography will be brought forth and coalesced toward the goal of bringing to bear finished works of art. Both solo and group works will be considered.

The Certificate Program II : The Dances is presented in cumulative three-day intensive seminars, offered each April and October, leading to The Advanced Diploma in Isadora Duncan Performance and Choreography. The diploma will be granted at the discretion of the educational director upon completion of individualized sessions numbering a minimum of six intensive courses within a five year period.

**The Isadora Duncan International Institute, founded in 1977, by Maria-Theresa Duncan and Kay Bardsley, is a not-for-profit tax exempt arts and education organization.**
